THE WHITE BLOUSE IS REBORN THROUGH MAHA BARSON!

8 Feb 2012

Our friends at **MUUSE** never cease to surprise us with **their great eye for talent!** After having **picked H&M Design Award Winner Stine Riis out from the crowd** as far back as September, they have now introduced a wonderful new designer whose blouses have left us Green Pebbles Girls with the only one choice..... **throw out all our white blouses and start from scratch by purchasing each and every one of Maha Barsom's absolutely stunning pure white blouses.**

With **striking designs** that are both **elegant and feminine**, Maha's white blouse collection is bound to be a huge success with women who want a **beautifully tailored look, with a hint of 'unusualness'** which will definitely make them **stand out from the crowd!**
